# dog care

when you need it

*Why not really pamper your dog whilst you are on holiday? We give your dog lots of attention from their own dedicated carer, and the freedom to run, play or amble in our grounds.*

## FREEDOM & SPACE

It is so important for dogs to exercise, explore, play and have fun using up some of their energy and just 'be' a dog. Our whole acre paddock is just waiting to be played in!

## PERSONAL ATTENTION

All dogs are brushed and cared for individually throughout the day, with a dedicated carer catering to their every whim.

## QUALITY ACCOMMODATION

Our new hotel apartments are light, bright and comply with the highest welfare, hygiene & construction materials standards.

## luxury dog hotel

**HOME-STYLE LUXURY FOR DOGS**
